Acting AD/P

Contract Recruitment Officers

1. On 27 July 1951 you addressed the following memorandum to the Acting Personnel Director:

"1. This memorandum constitutes your authority to employ not more than six Recruitment Officers at grade GS-15 on a contract basis, such contracts to terminate not later than 30 June 1952.

"2. Tables of organization will not be changed for this purpose."

2. Pursuant to this authority the positions have been utilized during the past year for the purpose stated and at this time four contracts are in force with the following individuals:

25X1A9a

25X1A9a 3. The fifth position was vacated on 12 May 1952 due to the transfer of

25X1A9a

to the Contact Division. The sixth position was obligated by [redacted] who failed to meet security requirements at the time it appeared the recruitment workload was to be substantially less than planned for last July.

4. With the current modifications in the established ceiling for the Agency and the possible approval of additional ceilings for various parts of the Agency it appears that the six contract positions will be required for at least another year. Request authority to continue the four contracts now in force in effect for at least an additional year and the obligation of the two other positions under the same basis.
